POWERFUL SEALING & BONDING

WORLD-CLASS CHEMICALS

ACETOXY SILICONE SEALANTS

Dolphin Acetoxy silicones are high performance sealants with no shrinkage. They are high modulus, flexible and anti-fungal. They form a high strength waterproof seal and are suitable on different substrates.

■ ■ ■ ■ ■ ■ +/- All RAL Colors on request (Based on MOQ's)

DOLPHIN 200 IS APPROVED BY IANESCO (FRANCE)

NEUTRAL SILICONE SEALANTS

Dolphin Neutral Sealants are permanently elastic with high movement capability. They are specialized and certified for weather and firestop sealing in buildings. The sealants are 100% waterproof with superior bonding capabilities.

■ ■ ■ ■ ■ ■ +/- All RAL Colors on request (Based on MOQ's)

ACRYLIC SEALANTS

Dolphin Acrylic Sealants are premium performance, high strength acrylics which are odour free and non-corrosive towards galvanized metals. They are eco-friendly, non-cracking and paintable.

POLYURETHANE SEALANTS

Dolphin PU Sealant / Adhesive is an extra durable, perfectly elastic, medium modulus, UV resistant polyurethane sealant suitable for sealing and bonding applications in construction and industrial applications.

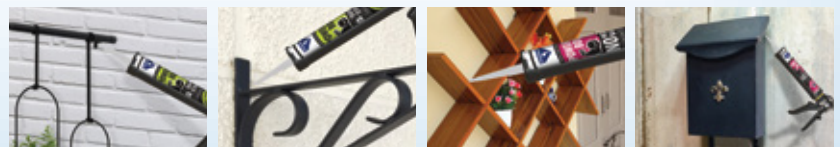

HYBRID SEALANTS / ADHESIVES

Dolphin Fix and Seal Sealants are hybrid polymers that are extremely powerful and highly flexible in nature. They can seal and bond all substrates and materials. The sealants are eco-friendly, 100% waterproof and paintable.

CONSTRUCTION ADHESIVES

Dolphin Power Bond are high performance construction adhesives with excellent gap filling capabilities. They have great bond strength and are suitable for many materials and substrates.

VERSATILE GAP FILLING

WORLD-CLASS CHEMICALS

- HIGH STABILITY
 - SELF EXPANDING
 - EXCELLENT MOUNTING
- 

SPRAY PAINTS

INSPIRE THE COLORS OF LIFE

- RICH COLOR
- QUICK DRYING
- EXCELLENT COVERAGE

- Available in :
- Matt Colors
 - Special Colors
 - Normal Colors
 - Metallic Colors
 - Fluorescent Colors

ADHESIVES

SUITABLE FOR ALL BONDING

WORLD-CLASS
CHEMICALS

- MDF Kit
- Epoxy Steel
- Contact Adhesives
- HVAC Adhesives
- CPVC Adhesives
- UPVC Adhesives
- Floor Adhesives

**BOND IN
3 SEC.**

**BOND IN
4 MIN.**

COATING

MOISTURE FREE WALLS & SURFACES

- Duct Canvas Coating 30-36 AF
- Duct Canvas Coating 30-36
- Aqua Fix Acrylic Coating
- Bituminous Coating
- Bitu Coat

LUBRICANT

RUST REMOVER & LUBRICATOR

- Easy to apply.
- Provides instant and long lasting results.
- Serves dual purpose as rust protector and lubricator.
- Protects metal tools and machinery from rusting / corrosion, without damaging the surface.
