

TECHNICAL DATA SHEET

DOLPHIN OCTANE BOOSTER

Revision Date: 1st April 2023

Revision No: 0

Number of Pages: 2

PRODUCT DESCRIPTION

Dolphin Octane Booster is specially formulated to boost the octane numbers of the gasoline and ensures that the engine can give its full performance potential. Optimizes combustion immediately after addition and increases fuel efficiency. Significantly increase torque and acceleration, guaranteeing more driving pleasure. Ensures cleanliness in the fuel system and injection nozzles, thus preventing expensive repairs.

TECHNICAL PROPERTIES

| Properties | Specifications |
|------------------|---------------------------------------|
| Appearance | Clear orange |
| Base | Mixture of additives in carrier fluid |
| Physical State | Liquid |
| Odour | Characteristic |
| Specific gravity | 0.79 - 0.82 |
| Flash Point | 180C |

(Information on this data sheet is subject to change without prior notice and should not be used for writing specifications)

KEY FEATURES

- Increase the octane number
- Improves combustion
- Ideally taps the performance potential of the engine
- Improves acceleration
- Cleans the fuel system
- Cleans intake ports
- Compatible with all gasoline qualities. Removes stains, break the bond between dirt and material

WORLD-CLASS
CHEMICALS

| | |
|-------------------------------|---|
| Directions for use | <ul style="list-style-type: none"> • For all cars 2 and 4 stroke gasoline engines without a particulate filter • Specially developed for racing use therefore not recommended for public road traffic • One bottle of 354 ml is sufficient for up to 25 Gallons liters of fuel Add content directly to the tank • Premix not required |
| Packaging | Dolphin Octane Booster is available in 354 ML bottle. |
| Storage and shelf life | Store in a dry and well-ventilated storeroom at the temperature below 40 °C. Keep out of reach of children. Keep container tightly closed. Dolphin Octane Booster has a shelf life of 36 months from date of manufacturing. |
| Health and Safety | Avoid contact with eyes and skin. In case of eye contact, immediately flush with plenty of water and take medical advice. |

KEEP OUT OF REACH OF CHILDREN • KEEP CONTAINER TIGHTLY CLOSED • FOR INDUSTRIAL & POFESSIONAL USE
