DOLPHIN FIRE-STOP SEALANTS ARE
APPROVED BY CIVIL DEFENCE
CERTIFIED BY ESL

صنعت في الإمارات
MADE IN UAE

AL MUQARRAM INDUSTRY, established in 1999 in Sharjah (U.A.E.) is manufacturing Sealants, Tapes & Aerosols for the construction and automotive industry.

Being at the forefront of innovation in various verticals, has helped us solidify our brands across 36 countries in the MEA region. The foundation of AL MUQARRAM INDUSTRY is built on the trust, goodwill and loyalty of our customers, partners and suppliers who believe in us and are associated with our business through long term relationships, since last two decades.

POWERFUL SEALING & BONDING

DOLPHIN 200 IS APPROVED BY IANESCO (FRANCE)

ACETOXY SILICONE SEALANTS

High performance sealants with no shrinkage. They are high modulus, flexible & anti-fungal. Form a high strength waterproof seal & suitable on different substrates.

■ ■ ■ ■ ■ ■ +/- All RAL Colors on request (Based on MOQ's)

NEUTRAL SILICONE SEALANTS

Permanently elastic with high movement capability. Specialized and certified for weather & firestop sealing in buildings. 100% waterproof with superior bonding capabilities.

■ ■ ■ ■ ■ ■ +/- All RAL Colors on request (Based on MOQ's)

ACRYLIC SEALANTS

Premium performance, high strength acrylics that are odour free & non-corrosive towards galvanized metals. Eco-friendly, non-cracking & paintable.

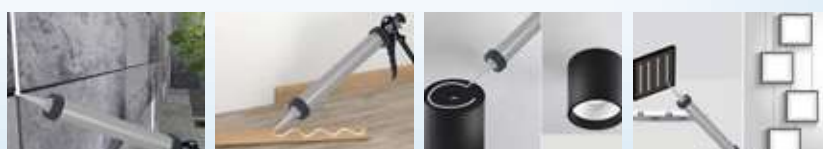

POLYURETHANE SEALANTS

Extra durable, perfectly elastic, medium modulus, UV resistant polyurethane sealant suitable for sealing & bonding in construction & industrial applications.

HYBRID SEALANT / ADHESIVE

Hybrid polymer that is extremely powerful & highly flexible in nature. Seal and bond all substrates and materials. Eco- friendly, 100% waterproof & paintable.

EASY PROTECTION & PACKAGING

BOPP TAPES

DUCT TAPES

MASKING TAPES

SURFACE PROTECTION TAPES

INSULATION TAPES

FOAM TAPES

ALUMINIUM TAPES

VERSATILE GAP FILLING & INSULATION

HIGH STABILITY

SELF EXPANDING

EXCELLENT MOUNTING

INSPIRE THE COLORS OF LIFE

RICH COLOR

QUICK DRYING

EXCELLENT COVERAGE

- Available in :
- Matt Colors
 - Special Colors
 - Normal Colors
 - Metallic Colors
 - Fluorescent Colors

ADHESIVES

SUITABLE FOR ALL BONDING

- MDF Kit
- Epoxy Steel
- Contact Adhesive GP
- HVAC Adhesive
- CPVC Adhesive
- UPVC Adhesive
- Floor Adhesive

**BOND IN
4 MIN.**

**BOND IN
3 SEC.**

COATING

MOISTURE FREE WALLS & SURFACES

- Duct Canvas Coating 30-36 AF
- Duct Canvas Coating 30-36
- Aqua Fix Acrylic Coating
- Bituminous Coating
- Bitu Coat

LUBRICANT

RUST REMOVER & LUBRICATOR

- Easy to apply.
- Provides instant and long lasting results.
- Serves dual purpose as rust protector and lubricator.
- Protects metal tools and machinery from rusting / corrosion, without damaging the surface.
